<http://www.univer.kharkov.ua/images/pravyla-dodatok7.1-2018-2.pdf>

1. Applicants who have completed a master's degree *can be admitted to study* at the University for the degree of Doctor of Philosophy
2. *Funding for preparation of specialists* in the post-graduate course of the University is carried out at the expense of expenditures of the state budget of Ukraine - by state order; funds of individuals and/or legal entities.
3. *Entrants* to the postgraduate study *submit* an application to the admission committee, in which they indicate the speciality, the school, the prospective supervisor and other documents.
<http://www.univer.kharkov.ua/docs/aspirant/docs-phd-2018.pdf>
4. *Entrance examination* for admission to studies for the degree of a Doctor of Philosophy consists of:
 - ✓ speciality entrance exam (within the standard of higher education for the master's degree in the corresponding speciality);
 - ✓ foreign language entrance exam;

- ✓ presentation of research proposals on the thematic focus of the proposed supervisor;
- ✓ presentation of research achievements.

Entrance examination is conducted by subject commissions.

<http://www.univer.kharkov.ua/docs/work/rozklad-vstup-ispytiv-PhD2018-2.pdf>

5. **Programs of professional examination** for admission are developed and approved by the University not later than three months before the beginning of the submission of documents.

6. For the **competitive selection** of persons for admission to a Doctor of Philosophy degree studies, the sum of points is used:

- ✓ obtained by passing the speciality entrance exam on a 100-point scale multiplied by 0.6;
- ✓ obtained by passing the foreign language entrance exam on a 100-point scale multiplied by 0.2;
- ✓ for the presentation of research proposals on the thematic focus of the proposed supervisor on a 100-point scale multiplied by 0.15;
- ✓ grade point average of a 100-point scale of the supplement to the master's (specialist's) degree diploma, rounded to the nearest one-hundredth of the point, multiplied by 0.05;
- ✓ for the presentation of research achievements: for each article published in the professional publication with an impact factor – 3 points, for each article published in another professional publication – 2 points.

7. **Procedural deadlines.**

Acceptance of applications and documents for entry from July 16 to July 31, 2018.

Training begins on October 1, 2018.

The educational process is carried out according to the Temporary Standards for Higher Education of the University, educational-scientific programs and curricula for the training of higher education applicants in the third educational-scientific level

<http://www.univer.kharkov.ua/docs/work/nakaz-standarty.pdf>

Specifics. During the first 2 years, postgraduate students deepen their knowledge of philosophy, foreign language and speciality disciplines (mandatory and by the choice of a postgraduate student). At the same time, postgraduate students conduct research within the topic of the thesis.

Training period of the Doctor of Philosophy - **4 years.**

Conditions of the preparation and defence to receive the Doctor of Philosophy degree

The defence of thesis can take place at permanently operating Specialized Councils

http://www.univer.kharkov.ua/ua/research/special_radi/spec_radi_university

or in one-time specialized councils - an experiment on the awarding of the degree of a Doctor of Philosophy (Resolution of the Cabinet of Ministers of Ukraine No. 167 of March 6, 2019).

<http://www.univer.kharkov.ua/images/redactor/news/2019-03-11/postanova.pdf>

The council is formed by speciality for which the institution of higher education (scientific institution) has a license for conducting educational activities at the third (educational-scientific) level of higher education.

* If the training of the applicant was carried out in accordance with the agreement between the native and foreign higher education institutions (scientific institutions), the council may be formed on the basis of one of the specified subjects of training.

In the case when the council is formed on the basis of the institution of higher education (scientific institution) of Ukraine, the formation of such council is carried out in accordance with the Procedure.

An employee of a foreign institution of higher education who was a party to the said agreement may be a reviewer for the applicant's thesis. On the basis of a foreign institution of higher education (scientific institution), the council is formed in accordance with the legislation of a foreign state.

Procedure of expertise and defence for obtaining a Doctor of Philosophy degree

To support the educational process for the certification of applicants for academic degrees and monitoring, V.N. Karazin Kharkiv national university has an advisory service on certification of applicants for academic degrees.
