EQUIPMENT

REPORT on the use of equipment purchased by V. N. Karazin Kharkiv National University, UKRAINE under the INTENSE project

Conducted in-depth survey of end-users and the institutional contexts helped us not only identify gaps in the existed curricula and develop the list of e-courses to be developed by KGNU under the project, but also identify the equipment that would suit our students' and teachers' current needs.

Thus, in the framework of the ERASMUS+ project "INTEGRATED DOCTORAL PROGRAM FOR ENVIRONMENTAL POLICY, MANAGEMENT AND TECHNOLOGY – INTENSE" V.N. Karzin Kharkiv National University has opened a new computer class and purchased **18 computers** (specification: R-LINE computer: Intel Pentium G4400/ Gigabyte GA-H110M-S2H/DDR4 8GB Adata/ HDD 1TB Toshiba DT01ACA100/ DVD-RW LG GH24NSD1/ ATX Gamemax MT507 450Вт, Monitor: 23,8" Acer SA240YBMID (UM.QS0EE.005), Keyboard: Genius KM-125 USB, Computer mouse) and all necessary **Windows software**.

The equipment is used in **the educational process**: for e-learning, development of new courses, training of PhD students.

Also PhD students can use the equipment for **research**: creation and updating of databases, cartographic purposes, search, analysis and treatment of data and information during writing of their PhD theses.

KGNU team regularly uses the equipment for **communication, presentation and dissemination purposes**: on-line working meetings, workshops, conferences etc.

New computer classroom is located at address:

Room 476

Karazin Institute of Environmental Sciences

V. N. Karazin Kharkiv National University

Svobody sq., 6 Kharkiv 61022

UKRAINE

According to rules of visualization, all equipment has ERASMUS+ stickers.

In addition, KGNU has purchased **four Lenovo notebooks** (Lenovo V130-15 (81HNS00H00)) which are necessary for everyday work of teachers and project team for assuring smooth functioning of the INTENSE School.

Notebooks are used in **the educational process**: for making presentations during classes as well as for training of PhD students. Also notebooks can be used for **field training** (e.g. during summer schools) and **field research** (e.g. for field trips for collection and treatment of data). In addition, four notebooks are used for **dissemination activity** (making presentations on conferences and seminars).

Notebooks are located at address:

Rooms 4-71, 4-75, 4-77 and 4-79

Karazin Institute of Environmental Sciences
